

Systems of Care Collaborative

- ▶ Systems of Care Committee – a statewide initiative in 2009 to promote interagency coordination of services to youth.
- ▶ Youth Crisis System Task Force – a request from JDAI Diversion Alternatives Committee to discuss how to implement a behavioral health component at the JSC. Result ---ARISE.
- ▶ Systems of Care Collaborative - Merger of above groups in 2013 to maximize provider meeting time and expand the focus from interagency coordination to include identifying service gaps and developing programs to fill those gaps.
