Reception Center

- Safety Planning:
 - *Ask Questions*
 - *Family Meeting*
 - *Develop a plan*
 - *Follow-up*

Reception Center

- Discharge Planning
 - We have a general resource list
 - Provide this to each family and highlight areas of greatest need as identified by the family.
 - Food
 - Clothing
 - Shelter
 - Behavioral Health
 - Chemical Dependency
 - Crisis Hotlines

Runaway

- A story of success
- “I won’t ever stay home!”
- “Can’t you just keep him?”

Shelter Care

Strengthening Individuals,
Families & Communities

Shelter Care

- We have served 84 youth in Shelter since October 15, 2014.
- 84.0% Successful
- 11.3% Unsuccessful
- 3.8% Currently In Shelter.
- 0.9% Missing Data

Shelter Care Daily Routine

- Attend support services in the community
 - Continue Counseling
 - Drug and Alcohol Classes/Groups
 - Continue employment/find employment
- Attend school
 - Either on-site (collaboration between RC School District, Pennington County, and LSS)
 - Home school
 - We transport to and from school

Outcomes

- Preventing youth with chemical dependency issues from being held in detention while awaiting bed at an in-patient CD facility.
- Providing youth an opportunity to gain trust with themselves and others as they transition home from Shelter Care.
- Able to identify youth that have more significant mental health needs and assist them and their families in addressing these needs.
