JOHN T. VUCUREVICH FOUNDATION

...to make a piece of the world a brighter place.

Collaborations for Change

- We may assist financially and/or through strategic leadership or merely participation.
- We intend to partner with area organizations and other funders to create a sense of shared responsibility among partners

Partnerships and Collaborations

HOW?

- Facilitation that identifies the most pressing issues and possible solutions as defined by participants.
- Regular engagement of participants until collaborative work has reached a logical conclusion.
- Collaboratives will have resources to collectively work towards a plan to prioritize and solve the identified problems.
- Training on specific topics through community education and capacity building towards a common cause that leads to solutions.
